Unusual style of landscape photography High resolution images taken during dawn and dusk
Uncommon angles of shooting and extensive colour range, allowing a fresh look at ordinary standards of photography
Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
